REPORT OF SUPERINTENDENT

We had an exciting 2007-08 school year with our students excelling in academics, arts, athletics and extra-curricular activities. More than 1,000 seniors graduated with almost \$10 million in scholarships. 35 students earned the prestigious International Baccalaureate Diploma, signifying intense advanced study. 39 students were recognized as Advanced Placement Scholars. More than 135 students earned IB Certificates, and three of our students were recognized as National Merit Finalists.

Hilton Head Island High School and Beaufort High School were ranked among the nation's top high schools by Newsweek Magazine. Seven Beaufort County elementary schools and the Beaufort-Jasper Academy for Career Excellence earned Palmetto Gold and Silver awards from the S.C. Education Oversight Committee. Awards went to schools that dramatically improved student performance between 2006 and 2007.

Recognized with a Silver Award were Bluffton Elementary, Broad River Elementary, Hilton Head Island School for the Creative Arts, Mossy Oaks Elementary, Michael C. Riley Elementary, Joseph S. Shanklin Elementary, and Shell Point Elementary Schools. Beaufort-Jasper Academy for Career Excellence won the gold award.

The S.C. Education Oversight Committee stated that 7 Beaufort County elementary schools showed exceptional results, helping historically underachieving students make academic gains. Those schools earned a one-grade upgrade on their report cards for helping close the achievement gap; recognized were Bluffton Elementary, Broad River Elementary Hilton Head Elementary School for Creative Arts, M.C. Riley Elementary, Mossy Oaks Elementary, Shanklin Elementary and Shell Point Elementary.

Port Royal Elementary School was one of seven South Carolina schools honored for innovative single-gender programs. The Whale Branch Middle School Technology Education Program earned the prestigious Program Excellence Award - one of fewer than 50 programs in the world to hold that distinction. Sponsored by the International Technology Education Association (ITEA) the National Association of Secondary School Principals (NASSP) and Paxton/Patterson, the Program Excellence Award is one of the highest honors given to Technology Education classroom teachers on the elementary, middle, or high school levels.

Other highlights included Beaufort County School district's first annual Summer Institute, dedicated to professional growth. Over 750 teacher participated in this first year.

In a testament to belief in the school system, Beaufort County voters endorsed the School District's \$162.7 million bond referendum to build new schools, renovate and improve older facilities, buy land for future schools, and upgrade technology in all 28 schools. We are blessed to serve students and their families in Beaufort County.
